Russell's Hall Hospital,
Dudley

July 2003 & January 2005

Roc's long-standing relationship with Russell's Hall Hospital, part of the Dudley Group of Hospitals NHS Trust, has included supplying in excess of £400K worth of furniture in a two-phased project; the first in July 2003 and the second in January 2005.

Roc has formed an excellent partnership with the Russell's Hall project team. This installation has used our full 'One Stop Shop' approach to supply general office, meeting and conference and break-out area furniture.

Russell's Hall Hospital,
Dudley

roc furniture

Project

Russell's Hall Hospital

Value

£400,000

Details

Cantilever desking with desk-top power modules, desk and floor standing screens, swivel chairs and steel storage units were used to furnish these mostly open plan offices. Different upholstery colours have been used per floor for ease of reference and on-going management.

Date

July 2003 & January 2005
